

Bridges of Deer Creek Homeowners Association, Inc.

Dear Bridges of Deer Creek Homeowner:

The past few years the HOA Board and management have fielded many comments regarding the use of fireworks in the Bridges of Deer Creek neighborhood. Recently the Board of Directors discussed the concerns of homeowners in board meetings and decided to adopt a policy that bans the use of fireworks for the safety of the community. The new policy is attached. Please take some time to review the policy. Please contact Ryan Smith at Ryan@legacysouthwestpm.com or 214-705-1615 with any questions. The Board of Directors and Legacy Southwest wishes you and your family a Happy Holidays!

Regards,

Legacy Southwest Property Management
